

Invitation for Expressions of Interest
Essex Region Source Protection Committee (SPC)
Under Ontario Regulation 288/07, Clean Water Act, 2006

The Essex Region Source Protection Committee (SPC) was created to develop a Source Protection Plan to protect drinking water sources in the Essex Region Source Protection Area. The SPC evaluates the implementation of the Source Protection Plan and oversees amendments to the Assessment Report, Source Protection Plan, and related public and stakeholder consultations. The SPC is made up of members in three sectors: municipal, economic and other interests

We are seeking to fill a vacancy for one position on the SPC in the other interests sector. Some examples could include representation from health, environment, landowners, professionals/academics, and public at large. There is a commitment to participate in 3-4 meetings per year for five years, with a possibility of extension. Representatives must reside, own or rent property, be employed, or operate a business in the Essex Region Source Protection Area. A full job description is available under the Committee section at [**www.essexregionsourcewater.org/committee/**](http://www.essexregionsourcewater.org/committee/).

To be considered candidates must describe their interest in writing using the form below, accompanied by their resume by 4:00 pm on **Monday, October 27, 2025**.
